ACT IS NOW ACCEPTING LATE APPLICANTS FOR ALL 2008 COURSES

Our ethos is to provide access to professional Drama Training for talented individuals who have been unable to follow traditional routes into the acting profession.

In order to allow applicants the best possible opportunity to be assessed in a fair and fully rounded manner, we ask that students attend one of our monthly Two Week Intensive Workshops in Acting.

Students can also assess directly if ACT is the right place for them. The tutors, class structure and timetable are all carefully designed to be a reflection of the style and content of our tuition and of the rigours and demands of our courses.

Call the school on 01273 818266 for more information.

DIPLOMA IN ACTING

The Diploma is open to students over 18 and there is no upper age limit. The Diploma is a demanding and intensive training course offering a comprehensive actor training. Prospective students must have talent, self-belief, motivation, commitment, dedication, self-discipline and a generosity of spirit. Students must be able to take responsibility for their own development, be in good health, have good time management skills and a clear understanding of both the vagaries of an acting career as well as its joys. In return, ACT will provide an inspiring, nurturing, safe and supportive environment and has an absolute commitment to guiding each student to discover and develop their individual and unique talents and skills to the fullest possible extent.

The Diploma runs for six terms over 2 years and each term consists of 12 continuous weeks. Students are required to attend Tuesday to Friday evening 6.45pm to 10pm and Saturday daytime (times vary).

SUMMER SCHOOL PROGRAMME 2008

ACT 2 is a one week, day-time, intensive training course, culminating in an evening performance in front of an invited audience. You can choose to follow either the Text strand, the Devising strand or the Shakespeare strand. Working as a small ensemble company, you will participate in 10 three hour sessions which will include 2 sessions each of Voice and Movement.

The actors are encouraged to invite two guests each to attend the final night's performances and see the results of the week's work. This will be followed by a relaxed feedback session where participants, audience and tutors can discuss the work over drinks.

ACADEMY OF CREATIVE TRAINING (ACT)

8-10 ROCK PLACE, BRIGHTON BN2 1PF

is Brighton's only Drama School training professional actors.

ACT attracts students of all ages and walks of life and enables people to realistically achieve their ambition of a career in the performing arts. Classes are in the evenings and at weekends so that students can continue to meet their working and/or domestic commitments whilst re-training. All tutors are highly experienced professional actors and directors who bring contemporary professional practice to their teaching—tutors are currently working at the National Theatre, the Lyric, the Globe, the RSC and the BBC. Similarly ACT graduates are to be found working on National and European tours, on BBC television and Radio, Independent Films, TIE tours and so on.

The Academy is a registered charity and the trustees of ACT would like to invite you or your Company to become a sponsor. This can be done by sponsoring a student, a production or the school itself by donating equipment, costumes or your professional expertise. This will in turn help us to help others fulfil their dreams. We hope that you can help the British actors of the future by supporting us in any way you can. Can you help? Do you have any knowledge of major fundraising?
